

The background of the entire page is a photograph of the interior of a Gothic cathedral. The image shows a high, vaulted ceiling with intricate ribbing and a central dome. The walls are filled with large, colorful stained glass windows in various Gothic styles, including lancet and trefoil arches. The floor is made of light-colored stone tiles with a large, ornate rug in the foreground. The lighting is soft and even, highlighting the architectural details and the vibrant colors of the glass.

My dear Little Flower,

I invite you on a unique and inspiring spiritual journey this summer: an audio-visual pilgrimage, exploring the depths of the Catholic faith.

Join me as I embark on a captivating adventure of discovery and wonder through Bishop Robert Barron's renowned Catholicism Series. This visually stunning series will take us on a journey like no other, unveiling the arts, sacred places, and the profound beauty of our Catholic heritage.

Let us together explore the magnificent cathedrals of Europe, immerse ourselves in the bustling streets of Rome, and experience the richness of Catholic tradition and culture. Bishop Barron's series offers a feast for the senses and the spirit.

This audio-visual pilgrimage is a unique opportunity to grow in faith and knowledge. It is an invitation to encounter the beauty and wonder of our Catholic heritage in a way that is both engaging and transformative.

The pilgrimage is a 10 week in person, non consecutive series. (There will be holiday breaks during the summer.) Come to as many as your schedule allows (In my opinion, it is an important component of your journey to come together as a group!). Going away this summer? Join us virtually! You can sign-up to receive emails with videos and discussion topics.

The series begins on Thursday, May 16 at 7PM in the lower level of the Church. I sincerely hope you will join me on this extraordinary journey.

**Your Parish Priest,
Fr JC Merino**
