

My dear Little Flower,

As you know, our parish has been exploring the establishment of a local residence for our priests. Fr. Matthew and I have been working with the Archdiocesan Development Office and leadership, alongside our Parish Finance Council. After much prayer and discernment, we have commissioned a feasibility study to assess the viability of this project. The results of this study will be shared with you in the coming weeks.

I know that many of you have been eagerly awaiting this update, and I want to assure you that we are working diligently to bring this project to fruition. We believe that a local residence for our priests would provide a number of benefits to our parish.

I am confident that this project has the potential to make a significant impact on the growth and vitality of our parish, and I ask for your prayers and support as we move forward.

In the meantime, I invite you to participate in this survey, to share your thoughts. We look forward to hearing from you. The survey has been sent to all registered families of Little Flower. Your responses will be invaluable as we make decisions about the future of this initiative. (To access the case statement and the survey click the links below.)

I understand that this is a significant undertaking, and I want to assure you that we are committed to making this project a success. We will keep you informed every step of the way.

May God bless our parish and guide us in this important endeavor.

**Your parish priest,
Fr JC Merino**
